The main event....

DESSERT OF COURSE!

Tonight's featured event will be delicious as well as entertaining! You will be served a dessert to your table that has been randomly selected for you.

Multiple school affiliated groups have rolled up their sleeves and pulled out their secret recipes. The dessert chefs accepted the challenge of creating their very own dessert masterpieces for tonight's event. That's only the first part of the challenge. The second part of the challenge is for the presenters to serve their dessert to you with the intent to raise tips based on your liking of the dessert and presentation.

The highest tipping dessert table will have \$100 donated in their names to the school affiliated group/classroom/activity of their choice, plus they will be awarded a Mustang gift.

The dessert collecting the highest tip will earn an extra \$200 for their school affiliated group, plus their equal share of the tips raised tonight.

Thank you for encouraging and supporting your chef/server by tipping generously! Last year's desserts raised over **\$7,000** in bids and tips. All tips raised tonight will be divided equally between all of the school groups who elected to provide a dessert at tonight's event.

What's that you say? You would like to give your chef a bigger tip but you're out of cash? Feel free to use one of the I.O.U's sitting on your table. Fill this out and give it to your dessert presenter. This will allow you to pay your tip at the end of the evening using your debit or credit card or writing just one check for the night.

A special thank you to these chefs and servers for contributing to tonight's event. They help make the banquet what it is!
