A Capital Campaign for
Extended Bleachers, Batting Cages
Sun Screens, Utility Building
and Record Signage

www.IndeeMustangFoundation.com

Dear Mustang Activities Supporter,
Thanks to the generous donations to the "Final Push," Mustang Way Park features one of the best baseball / softball fields in the state of Iowa. Due to increased attendance and use of the facilities, additional spectator seating, sun screens, batting cages and a larger utility shed are desired. We will also add signage to display team and individual records and accomplishments.

The mission of our fundraising committee is simple and straightforward: to secure private donations, in-kind gifts and other non-cash assets to cover the cost of these improvements.

The following committee members have already donated to the campaign and we hope you will join us. We invite you to look over the information in this booklet, ask questions of your campaign volunteer and make an informed decision on a donation. We thank you for your continued support.

- Expanded platform above both softball and baseball bleachers to increase seating capacity
- Platform for baseball seating for standing spectators
- Sun screens above both bleacher areas

Utility Building

- Windows for pitching machines
- Will store all equipment used at Mustang Way Park

Batting Cages

- Two additional batting cages added to north of the new utility building

Signage

- New signs to display historical season information for both baseball and softball

THE GOAL:

The goal is to raise funds to add the bleacher seating, batting cages and concrete for the utility building in the fall of 2020. The building will be constructed in the spring of 2021.
